## Student Council Report Formation

### Yashoda Technical Campus, Satara

**Date:** November 7, 2024

**Subject:** Formation of Student Council for the Academic Year 2024-2025

**Positions:** Cultural Secretary, Sports Secretary, NSS Secretary, and Female Representative

Yashoda Technical Campus, Satara, acknowledges the importance of student leadership in shaping the campus culture and providing direction for extracurricular activities. The Student Council plays a crucial role in bridging the gap between the student body and administration, fostering a spirit of teamwork, and organizing events that contribute to the overall development of students. This report outlines the formation process and criteria for the election of four key positions in the Student Council for the academic year 2024-2025: Cultural Secretary, Sports Secretary, NSS Secretary, and Female Representative.

#### Cultural Secretary

The role of the Cultural Secretary is vital in promoting a creative and vibrant atmosphere on campus. The Cultural Secretary will be responsible for:

- Organizing cultural events, competitions, and festivals, such as annual day functions, inter-college fests, and talent shows.
- Coordinating with faculty and student volunteers to ensure the smooth execution of cultural programs.
- Promoting student involvement in creative activities like music, dance, drama, and arts.
- Collaborating with the student body to identify areas for enhancing cultural engagement and diversity on campus.

#### Vision of the Institution:

YTC, Satara looks forward to become a globally renowned institute of centre of excellence in technology and management education for rural community for technical and professional knowledge

#### Mission of the Institution:

1. To achieve the quality and an academic excellence in the frontier engineering areas and management relevant primarily to the nation.
2. To train and produce the highly skilled and globally competent professionals through quality technical education and to prepare them with industry ready engineers for immediate employment and entrepreneurship.
3. To inculcate and develop the research culture can be attributed to quality outputs in terms of research practices and products.
4. To develop the professionals having high values of ethics, lifelong learning, teamwork, leadership and social responsibility.
5. To enhance and empower the rural community by improving the productivity of the agricultural sector.

## Sports Secretary

The Sports Secretary is responsible for the promotion of sports and physical well-being on campus. Key responsibilities include:

- Organizing intra-campus sports events, annual sports meets, and tournaments.
- Encouraging student participation in national and regional sporting events.
- Overseeing the maintenance and accessibility of sports facilities on campus.
- Promoting fitness and wellness initiatives like yoga, fitness and challenges.

## NSS Secretary (National Service Scheme)

The NSS Secretary plays a crucial role in promoting social service, community engagement, and volunteering activities. Their responsibilities include:

- Leading and organizing NSS camps and social service initiatives.
- Coordinating with NGOs and local communities to ensure meaningful service projects.
- Encouraging participation in social and environmental causes among students.
- Ensuring that NSS volunteers adhere to the mission and values of the program.

## Female Representative

The role of the Female Representative is pivotal in ensuring the voice of female students is heard in the student council and fostering an inclusive campus environment. Responsibilities include:

- Addressing issues specific to female students and promoting gender equality on campus.
- Organizing programs related to women's empowerment, mental health, and gender awareness.
- Collaborating with the administration to ensure the safety, well-being of female students.
- Ensuring that female students have equal opportunities for participation in all aspects of campus life.

### Vision of the Institution:

YTC, Satara looks forward to become a globally renowned institute of centre of excellence in technology and management education for rural community for technical and professional knowledge

### Mission of the Institution:

1. To achieve the quality and an academic excellence in the frontier engineering areas and management relevant primarily to the nation.
