

**Report of Yashoconnect series 1****(Alumni Association Activity)****Webinar on Topic “ Career scope after B Pharm ”****Held on Sunday, 15th September 2024.**

The "YASHOCONNECT-alum's on & on & on..." series organized by Alumni Association of YSPM YTC Satara, is incredibly beneficial for students. It gives them the opportunity to gain insights and knowledge from successful alumni who have walked the same path they're on.

The activity was arranged by **Alumni Association** with intention that by hearing stories and experiences of successful alumni, students can get inspired, learn valuable lessons, and broaden their horizons. It's a fantastic way to connect students with real-world professionals and provide them with guidance and motivation for their own journeys.

Alumni Association of YSPM's YTC, faculty of Pharmacy, arranged webinar on topic “**Career scope after B Pharm**”. The Lecture was delivered by **Ms. Mira Tayappa Bansode**, Assistant Professor at Late adv. Dadasaheb Chavan Memorial Institute of Pharmacy Malawadi, Karad. **Ms. Pooja B Kadam**, Assistant Professor and Alumni Association Incharge introduced the program & gave the introduction about speaker.

Ms. Mira Tayappa Bansode is our alumni from B. Pharm batch 2019 & M. Pharm (Pharmacology) batch 2021. While having interaction with students she introduced students to a wide array of career fields available post-B.Pharmacy like clinical research associate, pharmaceutical sales representative, regulatory affairs specialist, QA, QC, pharmacovigilance specialist etc. Their insights as an assistant professor shed light on the significance of pursuing higher education. She also advised students on enhancing skills and personality through participation in sports and cultural activities. Engaging in such extracurricular activities not only fosters personal growth but also develops important soft skills like teamwork, communication, and time management. She also motivated the students to pursue industrial or medical training for practical knowledge is crucial in the field of pharmacy. It provides hands-on experience that complements theoretical knowledge acquired during academic studies, making students more well-rounded and prepared for their future careers in the pharmaceutical sector.

She took so much effort into making webinar beneficial by sharing important insights. Lastly the Q & A session was conducted where she cleared all doubts of students.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by **Ms. Pooja B. Kadam & Ms. Sucheta S. Pawar.**
