Firstly prof. Snehal Jadhav had welcomed our Eminent Speaker Mr.Tejas Shelar Sir. Afterwards HOD of MCA Dr.Sunita Jadhav Madam given her valuable speech. She has explained the current market situation also she have elaborated the concepts of being skillful , she explained that alumni are those who formulate some new aspects and ideology to their juniors again she said that there multiple platforms for students to make betterment in their knowledge.

Then our Eminent Speaker Mr.Tejas Shelar expressed his valuable words. By way the introducing to Mr.Tejas Shelar he is one of the best and well recognized alumni from Yashoda Technical campus. Sir has passed out from 2019-2020 Batch. Sir has elaborated the basics of being independent also sir has prominently expressed his whole journey with our alumni as well as with our students. Sir has given the general formula of working in MNC's and small scale. He said that working in small scale always boosts your confidence up, and it will always upgrade your leadership skills. Next he said, participating in different activities will always feel you confident that will helpful for you to develop yourself. He expresses his thoughts about the intercollegiate events, zonal and state level events as he was enthusiastically participated in such events.

After Tejas Shelar Sir has completed his speech, our alumni shared their experiences about the college and its well defined culture. Firstly Ms.Aboli Deshmukh shared her views about college and fondest memories of it. She has given the importance of being employable. She said it's a basic need to be fulfilled for ourselves. Then our next alumni who spoke were Ms.Anuja Pawar, she has explained the culture of college and how the faculty members were supported in throughout of her journey.

Next alumni who have given her views been Ms.Sonam Bhosale she took an initiative without calling her name. she was the voluntarily spoke up about her willingness of being physical to attend the Alumni Meet she expressed her throughout journey also in accordance to the placement what is so thoughtful, like if you are doing internship right now in this phase then do it with all your mind because if you give your full attention as an intern, you will be good employee also.

After her speech Jadhav Madam have called the next alumni, Mr,Ajit Padawal. Ajit have given the most important aspect about the Job. Getting a job should be your priority and somewhere the concept is always going through in the midst of your education. He also share his views about how can you will develop your qualities and skills? Later he said its upon you that how would you participate in college events as well as state level events he said explore yourself first and it will be the first step of being confident.

After Alumni done there speech our MCA students were interacted with them. Ms.Kajal Patil was given her thoughts and she expresses her views. Also our student Ms.Rucha Nikam gave her views about the college and the facilities provided by college.

After that the program was going ahead with some discussions with our Eminent Speaker Mr.Tejas Shelar Sir. Our student Ms.Kajal Patil has asked sir about the communication skill and language barriers will affect our job. Sir has resolved her doubt by his thoughtful answer; he said no any language will decide our personality. It thoroughly depends on us that how we will groom ourselves. Next question is about, the knowledge of data structure, is always needful because its somewhere tricky to understand? Again sir has elaborated that the core concept of data structure is important to representation and hence it's important but if you will not think that it is tricky then Data Structure is Fun to Learn.

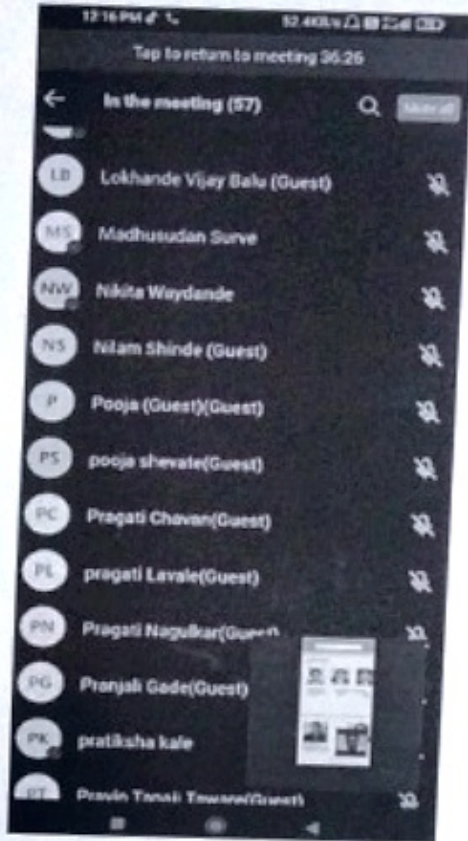

Afterwards resolving all the queries of students Tejas Sir has given a lot in accordance to his valuable time and his most valuable thoughts. Students got so much knowledge with his valuable guidance.

Next Prof.Snehal Jadhav thanked to Eminent Speaker Mr.Tejas Shelar also to our beloved alumni and to our dear students. And then she declared that the program was over.
