## Yashotechfest 2K23

Yashoda Technical campus Faculty of Engineering of General science & Humanities under ISTE student chapter organized Yashotechfest 2K23 on 25th April 2023. Yashotechfest organized two events. Such as mini Projects Exhibition cum Competition & Paper presentation only for first year Engineering students.

The event started by Welcome speech by ISTE Secretary Prof. Shaikh A. N. Director Dr. Redasani V. K and Principal Dr. Badkar B. S guided to all participant and students. We are pleasure to inform that, we got very good response for Yashotechfest 2K23 event.

54 Groups of students participated in Mini Projects and 21 students participated in Paper Presentation.

*AY-2022-23, Basic Sciences & Humanities Department*

Yashoda Technical campus aims to Provide Platform for first year students to explore their technical skills & Creativities. The event will bring together students from different colleges across Maharashtra to for participate in Mini Project & Paper presentation!"

The Mini Project Exhibitioncum Computation event will showcase innovative projects developed by students in various field such as Engineering science& technology.

Yashoda Technical campus always provides an opportunity to all students to showcase their technical skill, network with peers from other colleges & learn from experts in the field.

The event arranged by Event Coordinator Prof. Shingte S. S under the guidance of HoD Prof. Teke S. R

## First Year Induction Program 2022-23

The **First-Year Induction Program** at **Yashoda Technical Campus, Satara**, was held from **November 14 to November 18, 2022**, with the aim of familiarizing newly admitted students with the academic environment, college culture, and engineering concepts.

The program commenced with an **inaugural ceremony** on **November 9, 2022**, setting a motivational tone for the sessions ahead. Students were given a **Departmental & College Campus Visit** on **November 10**, helping them understand the facilities and resources available.

Throughout the week, various interactive and knowledge-enhancing sessions were conducted, including a **Yoga Session** and a discussion on **Case Studies & Application of Engineering Concepts** by **Dr. T. R. Shinde**, Head of the Mechanical Department. Technical sessions such as "**Cognitive Radio Wireless Communications**" by **Dr. S. S. Itraj**, Head of E&TC, and

*AY-2022-23, Basic Sciences & Humanities Department*

**"Vision to Get into the IT Sector"** by **Dr. S. V. Balshetwar**, Head of CSE, provided valuable industry insights.

The program also featured engaging **games, competitions, and sports activities**, ensuring a well-rounded experience for the students. The event concluded with a **Tree Plantation Drive**, reinforcing the college's commitment to environmental awareness.

The **Induction Program 2022** was a grand success, leaving students inspired and well-prepared to embark on their academic journey at Yashoda Technical Campus.

## Poster Presentation

The General Science & Engineering Department of Yashoda Technical Campus, Satara, organized a Poster Presentation on 12th December 2022 in the Drawing Hall. The event aimed to encourage creativity, research, and presentation skills among students while fostering a deeper understanding of various scientific and engineering concepts.

### Objectives:

- To promote innovative thinking and research-based learning among students.
- To enhance students' presentation and communication skills.
- To provide a platform for students to showcase their ideas and technical knowledge visually.

### Event Details:

The event commenced with an inaugural session where faculty members addressed the participants and highlighted the importance of poster presentations in academic and professional development. A large number of students participated enthusiastically, displaying posters on various scientific and engineering topics.

The posters were evaluated based on the following criteria:

- Content and Relevance
- Creativity and Design
- Clarity of Presentation
- Research and Analysis

The best posters were recognized and awarded based on their merit. The event concluded with a vote of thanks, expressing gratitude to the organizers, faculty members, participants, and supporting staff for making the event a grand success.

The Poster Presentation at Yashoda Technical Campus, Satara, served as a stepping stone for students to engage in scientific exploration and improve their technical communication skills. The enthusiastic participation and high-quality presentations made the event a remarkable success.
