**Vision of the Department**

To emerge as a center of excellence in Electrical Engineering education producing knowledgeable, employable, and ethical engineering graduates to serve industry/society

**Mission of the Department**

We, at Department of Electrical Engineering, are committed to achieve our vision by-

- M1: Preparing technically and professionally competent engineers by imparting quality education through effective teaching learning methodologies.
- M2: Developing professional skills and right attitude among students that will help them to succeed and progress in their personal and professional career.
- M3: Inculcating moral and ethical values in students with concern to society and environment.
