Vision of the Department:
 To emerge as a center of excellence in Electrical Engineering education producing knowledgeable, employable, and ethical engineering graduates to serve industry/society.

Mission of the Department:
 We, at Department of Electrical Engineering, are committed to achieve our vision by-
 M1: Preparing technically and professionally competent engineers by imparting quality education through effective teaching learning methodologies.
 M2: Developing professional skills and right attitude among students that will help them to succeed and progress in their personal and professional career.
 M3: Inculcating moral and ethical values in students with concern to society and environment.
