PRINCIPAL

Vision:

To be an excellent technological hub in the field of Electronics and Telecommunication Engineering ensuring state of the art knowledge transfer through teaching and research activities to meet educational, societal, ethical need of the nation.

Mission:

- M1: To provide cutting edge platform to explore innovative, creative and entrepreneurial leadership qualities among the students.
- M2: To be hungry for academic excellence through innovative procedure.
- M3: To inculcate leadership quality and ethical values.
- M4: To accept/ face technological challenges through the continuous efforts in collaboration with industry.
